- Stick Checking (Girls Youth Divisions) - Modified checking only: the entire stick must be below the shoulder and the check must be down and away from the body. Player with the ball may not hold the ball for more than 3 seconds when:
 - closely guarded/checked & the defender has both hands on her stick
 - the defense is in position to legally check were checking allowed
- A GAME/HALF MAY NOT END ON A DEFENSIVE PENALTY. In the event of a defensive penalty with an expired clock, play will resume on the official's whistle. Trail Official will count :03 Seconds of play from point of Free Position at the whistle. During the :03 seconds, regular game rules exist, including the potential for another defensive foul, pass, a shot or a goal. All goal calls are final.
- Excessive physical play, fighting, foul language, excessive "trash talk," and disrespect toward players, referees, coaches, or parents by any players, coaches, or parents will not be tolerated. Tournament directors will handle situations on a case by case basis in consultation with referees and reserve the right to remove any player, coach, or fan from the event without refund.
- In the event of weather conditions or any other circumstances that prevent the continuation of tournament game play or shorten the available timeframe to play, the tournament directors will post either a modified schedule of game times or post a cancellation of the remainder of the event. Tournament directors will use playoff bracket tie-breaker rules when applicable to determine champions in each age division if enough games have been played to reach a playoff. All effort will be made to remain on schedule or to offer abbreviated games. If playoff games are reached, no refund policy will apply. If a playoff is not reached, the posted tournament refund policy will apply and the tournament directors will be in touch directly with team representatives.

IV. Game Format

- Games will be 20 minute running time halves with a 5-minute halftime. Games will start on time with a universal horn and will not stop under any circumstance except an extended injury timeout. It will then be referee discretion to add up to 4 minutes to the end of the game time but no more than that.
- All games will start promptly at the assigned times.
- **Teams will have 0 timeouts.**

- Continuous clocks will be kept by Tournament Representatives and officials in a Central Tent.
- Time Serving Penalties are kept by the on-field officials.
- The official score will be kept by Tournament Staff. The staff and referee may confer throughout the game and stoppages to ensure the correct score. The coach will sign the official score card at the end of each game. Any score discrepancies should be addressed at that time with a tournament field manager, game officials, and head coach from both teams. Once the score has been signed off on by both teams and submitted to the score table no further score adjustments will be made.
- All Substitutions are on the fly.
- In the Youth Divisions, the MERCY RULE applies when there is a six (6) goal lead deficit in pool play only, not in playoffs. Teams down by six (6) or more goals can elect to take an indirect free position at the draw center.
- A forfeit will be posted as 1-0 victory for the non-forfeiting team
- During pool play, games may end in a tie. During playoffs, a 4-minute, sudden-victory OT will be played. If, at the end of the OT period, the game is still tied the game will be decided with a Braveheart. Each team will have 1 field player and a goalie.
